

INVEST IN YOUR SCHOOL'S BUSINESS PROGRAM

A recent Certiport survey of accounting instructors at two-year colleges revealed that 84% believe students who are preparing for an accounting career should be conversant in QuickBooks. Said one respondent: "Many [students] now learn QuickBooks as they learn bookkeeping or accounting... You might start every bookkeeping or accounting course with it."

Building the business coursework to support the achievement of the Intuit QuickBooks Certified User (QBCU) credential increases the value of academic programs and provides your institution with additional recruiting tools.

The QBCU certification program helps educators effectively teach QuickBooks using an

easy-to-understand platform for students to grasp QuickBooks concepts while honing their accounting skills. Institutions seeking to stay current with industry trends, and vitalize current curriculum will discover how QBCU certification can play a role in bridging classroom learning to real-world application.
